

## RISK ASSESSMENT FORM

Please complete using the table and guide below Hazard Includes: -

<b>Hazard</b> Includes combustible materials (LPG, rubbish, etc) Ignition sources (flames, smoking, etc)	<b>Persons at Risk</b> There is no need to list individuals, just possible groups of people who could be affected by an incident (staff, public, etc)	Likelihood	Severity	Risk Level	<b>Measures Taken to Minimise Risk</b>
<i>Example: Tripping on stand extension</i>	<i>Staff and public</i>	<i>Unlikely</i>	<i>Small injury</i>	<i>Low risk</i>	<i>Make staff aware of stand extension and remove stand extension when opening each morning.</i>

If in your opinion no risk exists, please print 'No Risk' in the hazard column.

I can confirm the business trading as.....complies with the above Health & Safety checklist and the assessment has been carried out.
