Welcome to the Durham County Show Equestrian Arenas

The 2026 show has something for everyone. With affiliated championship qualifiers and our own society classes - The Durham Festival of equine showing. All classes either affiliated or unaffiliated are open to all. Each section has an open to red circle at the top of the page making it easy to find your classes. It is the competitors sole responsibility to ensure they are suitable to enter the classes they select.

Affiliations Breed specific Qualifiers

All sections breeds and societies are affiliated with their respective governing body/society. Durham County Show has invested heavily in affiliations to insure our competitors have the chance to qualify for championships, giving our competitors more for their money & entry fees. Without affiliations our breed societies cannot continue to support the sport and the breeds they represent.

Most sections for breeds and societies have their own qualifications for championships. These will be listed here in the schedule or on the societies own website. Exhibitors are encouraged to check placing qualifications. Class eligibility is listed either in the schedule or on the specific societies websites. Most affiliated classes are open to all competitors and non society members, with eligible horses. You may need to join societies on qualifying. Competitors should always read the entry rules for all classes they enter on the societies own website.

This Show is affiliated to Equifest, taking place at Arena UK, Grantham, Lincolnshire on the 5 th – 8 th August 2026. The two highest exhibits not already qualified in each affiliated class will qualify.”

Suitably Mounted

All animals ridden anywhere on the showground, rings or lorry parks (day or night), must only be ridden by a rider whose size and weight does not compromise the animal's welfare. We are operating under the 20% rider weight guideline where the rider in full riding attire with full tack must be less than 20% of the animal's bodyweight. This is based on a relatively fit, healthy animal, with a body score of 2.5 – 3 out of 5, as an overweight animal is also a welfare concern.
